

feedAustralia

We use the feedAustralia program allowing you to view our weekly menu including nutritional information, menu ideas and a record your child's eating habits.

On the feedAustralia home page you see four tabs: Menu; Menu Ideas; Eating Habits; and Analytics.

The Menu tab will show the Weekly Menu for your child displayed in a Monday to Friday table with each meal time offered by our service.

Menu Ideas

Under Menu Ideas a number of meal suggestions for snack and lunch are listed. This list can be filtered by meal type or food group. Additional information about that meal including: Ingredients; Food groups; Nutrition facts; and cooking Method is also easily viewed.

Eating Habits

Eating Habits shows you what meals your child has eaten over the course of the day. The calendar icon in the top right allows you to select which day you would like to view.

Analytics

The Analytics tab shows a graphical menu breakdown over a period of time to demonstrate the various food groups that are being served at the Centre.
